
If you are tired of the publicly traded or private equity backed companies and the singular focus on quarterly earnings over the customer, and if you want to be a part of a people first company where strong results deliver unlimited earning potential, this job is for you.

We are searching for a strong leader to manage a growing team in the HVAC distribution industry in Dallas and surrounding areas. As a branch manager, you are responsible for the day to day operations of a growing, multi-million dollar facility. This position offers the ability to enter a 1.5 year old market with expansion possibilities. With general oversight from top management, a branch manager operates the branch as their own profit center.

American Metals Supply Co., Inc. is a leading wholesale distributor of sheet and coil steel, prefabricated duct & fittings and a complete line of HVACR products. Since 1962, American Metals Supply has focused on providing top quality products and service to our customers. Today with 8 locations, American Metals Supply is a family owned company, distributing products in 10 Midwest and Southwest states.

Company offers Health, Dental, Vision, and Life insurance. 6% match of 401K contributions, profit sharing and paid vacation in addition to seven paid holidays.
